Note: Some Huawei mobiles do not support Google Play

Appendix: Data Connection

STEP

Read the Privacy Policy and Terms and Conditions of the Rewards App, and click "I Agree"

Appendix: Data Connection

STEP

## Set up your account

Pick a Partner, and enter your name, date of birth, gender, height and weight, and upload profile picture.

Appendix: Data Connection

STEP

1	Connect a data source
	Please select one of the below data
U.	sources. We shall automatically sync vour daily activity data.
	your anny activity care
	🔿 😵 Google Fit
	Garmin
	< Connect

## Connect a data source

We need to synchronize your daily activity data for the calculation of Bio Age Result.

1) Please select a health data source.

Please <u>click here</u> to the appendix for the data connection tutorial.

Part 2: App Activation Appendix: Data Connection

STEP 5

# You have finished setting up the App, please enjoy the Live Young healthy lifestyle now!

Be reminded to turn on the "Receive Notifications" in the App to receive details of Live Young's latest activities.

#### Live Young Rewards App LITE

#### Full Version Live Young Rewards App

In order to provide you with a better experience, the version of the App will be determined according to the type of mobile phone you are using.

OS	Version	Specification	Live Young Rewards App LITE	Full Version Live Young Rewards App
	Android 9 or above	Processor: Equal or more than 64-bits; RAM: equal or more than 2GB	-	Y
Android		Processor: Less than 64-bits; RAM: below 2GB	Y	-
	Below Android 9	Not support		
	iOS15 or above	iPhone 11 or above	-	Y
iOS	iOS13 - 14	Below iPhone 11	Y	-
	BelowiOS13	Not support		

You are recommended to click to allow Live Young to read all health data for a more complete calculation of your Bio Age Result.

If you do not have health data app at your mobile device, please download the corresponding health data app from App Store or Google Play according to the type of mobile device you used.

Арр	iOS	Android	Details
Apple Health	$\checkmark$	-	apple.com/hk/ios/health
Garmin Connect	$\checkmark$	$\checkmark$	connect.garmin.com
Google Fit	-		google.com/fit

If you have smartwatch, please pair your smartwatch with your mobile device. For the procedures of setting and pairing, please refer to the website of the relevant smartwatch.

## **Android Users**

# STEP Download Google Fit from Google Play

STEP

## Complete the account setup and activate Google Fit

# STEP

# Open the Live Young Rewards App and connect with Google Fit

15

Note: If you have more than one Google account at your mobile device, please select the email address that you used to register Google Fit.

Part 2: App Activation Appendix: Data Connection

## What should I do if I keep seeing this message?

If you still see this message even you have already downloaded and registered Google Fit, please try to open Google Fit and walk for a few steps, so that Google Fit can record your activity data. Next, please open the Live Young Rewards App and click "Try again". Then the connection is done!

If there is data shown, that means Google Fit has started to record activity data.

Note: Some mobile device / smartwatch brands or models do not support Google Fit.
