

UBS (Lux) Equity Fund - Greater China (USD)

Important information:

- The Fund primarily invests in equities and other equity shares of companies domiciled in the People's Republic of China or Taiwan as well as in other companies domiciled in East Asia which have close economic links with the People's Republic of China or Taiwan.
- The Fund invests in certain Asian markets that are classified as 'emerging markets'. Investment in emerging markets suffer from certain risks such as increased risk of expropriation, nationalization and social, political and economic insecurity; acquisition of counterfeit securities by the Fund; low liquidity and high price (and performance) volatility; substantial currency fluctuations; settlement and custody risks; restrictions on the buying of securities by foreign investors; accounting, auditing and reporting standards, methods, practices and disclosures required by companies in emerging markets being different from those in developed markets.
- The Fund may be subject to concentration risk. In a market downturn such portfolios can suffer more substantial losses than diversified portfolios, i.e. portfolios where investments are spread over different assets, market sectors and/or geographical regions.
- The Fund may invest in financial derivative instruments to gain or reduce exposure to markets and currencies as well as to manage risk. The use of derivatives may involve additional risk, e.g. general market risk, management risk, credit, liquidity risk. Under extreme market conditions and circumstances, the use of derivative financial instruments may potentially result in total loss.
- Investors should not invest in the Fund solely based on this document and should read the relevant offering document.

Investment objective & strategy

- Actively managed equity fund investing within the Greater China region which includes China, Hong Kong and Taiwan
- Diversified across sectors offering broad coverage of Greater China markets.
