Notes: The Policy Owner is subject to the credit risk of BOC Life. If the Policy Owner discontinues and / or surrenders the insurance plans in the early policy years, the amount of the benefit he / she will get back may be considerably less than the amount of the premium he / she has paid. Past, current, projected and / or potential benefits and / or returns (e.g. bonuses, dividends, interests) presented in the product brochure are not guaranteed and are for illustrative purposes only. The actual future amounts of benefits and / or returns may be lower than or higher than the currently quoted benefits and / or returns.

Risk Disclosure of RMB and USD Insurance:

RMB and USD policies are subject to exchange rate risk. The exchange rate between RMB and HKD or USD and HKD may rise as well as fall. Therefore, if calculated in HKD, premiums, fees and charges (where applicable), account value/surrender value and other benefits payable under RMB or USD policy will vary with the exchange rate. The exchange rate between RMB and HKD or USD and HKD will be the market-based prevailing exchange rate determined by BOC Life from time to time, which may not be the same as the spot rate of banks. The fluctuation in exchange rate may result in losses if a customer chooses to pay premiums in HKD, or requests the insurer to pay the account value/surrender value or other benefits payable in HKD, for RMB or USD policy.

RMB Conversion Limitation Risk - RMB Insurance are subject to exchange rate fluctuations which may provide both opportunities and risks. The fluctuation in the exchange rate of RMB may result in losses in the event that the customer converts RMB into HKD or other foreign currencies. (Only applicable to Individual Customers) RMB is currently not fully freely convertible. Individual customers can be offered CNH rate to conduct conversion of RMB through bank accounts and may occasionally not be able to do so fully or immediately, for which it is subject to the RMB position of the banks and their commercial decisions at that moment. Customers should consider and understand the possible impact on their liquidity of RMB funds in advance. (Only applicable to Corporate Customers) RMB is currently not fully freely convertible. Corporate customers that intend to conduct conversion of RMB through banks may occasionally not be able to do so fully or immediately, for which it is subject to the RMB position of the banks and their commercial decisions at that moment. Customers should consider and understand the possible impact on their liquidity of RMB funds in advance.
