

BOC Life hosts students from CUHK

24 March 2017

In a bid to groom potential talents for the insurance industry, BOC Life has been proactively collaborating with tertiary institutes to give students a better understanding of the life insurance industry and prepare them for their future career.

A group of Chinese University of Hong Kong students, majoring in insurance, financial and actuarial analysis, were invited to the head office of BOC Life recently. The visit consisted of introduction to BOC Group and BOC Life, career talk on actuarial profession in the insurance industry and staff sharing.

Mr. Terry Lo, Chief Executive, and Mr. Ellick Tsui, Deputy Chief Executive and Chief Financial Officer of BOC Life joined the event and shared with the students their career experience as an inspiration for their future career planning. The visit was ended with a tour to the exhibition hall on the top floor of BOC Tower for participants to know more about the history of BOCHK.
