

BOCG Life was awarded the “5 Years Plus Caring Company Logo”

30 March 2015

BOCG Life is devoted to realising corporate social responsibility and has been supporting a number of social services programmes to help build a more harmonious society. This year, BOCG Life was proudly awarded the “5 Years Plus Caring Company Logo” by The Hong Kong Council of Social Service. Not only has it recognized our continuous contributions to the community, it has also testified our achievements in realising corporate social responsibility.

Launched by The Hong Kong Council of Social Service in 2002, the Caring Company Scheme aims to build a cohesive society by promoting strategic partnerships among business and social service partners and inspiring corporate social responsibility through caring for the community, employees and the environment.
