

BOC Life fully supports Oxfam Trailwalker 2017

20 November 2017

BOC Life has been proactively taking part in a variety of community activities to fulfil corporate social responsibility. We continue to support Oxfam Trailwalker this year by sending 4 teams, together with 5 other teams from BOCHK Group, to join this meaningful event with the aim to support Oxfam's various poverty alleviation and emergency relief projects.

Oxfam Trailwalker is a challenging, teamwork-testing, stamina demanding activity that requires prolonged practice and training. This ties in well with the objective of our GoSports Accident Insurance Plan – protection for unleashing your strength and potential. For this reason, BOC Life provided all our trailwalkers with the all-round cover of GoSports Accident Insurance Plan to focus worry-free on their journey. All of them completed the 100km trail successfully under the encouragement and support of our management and colleagues. The quickest team even completed the trail at 20 hours and 45 minutes!

“We are Trailwalkers” is the theme of Oxfam Trailwalker 2017. Other than the 9 participating teams, employees from across BOC Life played an enthusiastic role in the event by different means. This fully embodies our core value of teamwork. We will continue to give back to society through participation in community activities.

Important Notes: GoSports Accident Insurance Plan (“the Plan”) is underwritten by BOC Life.
