The maximum age for application of this Plan is 80. Once the policy is issued, it will be guaranteed Renewable up to age of 100⁽¹⁾, regardless of the eventual changes of your health.

No Lifetime Benefit Limit

Different from counting the benefits limits on per disability basis, most of the benefit items⁽²⁾ under this Plan are paid on per Policy Year basis and no lifetime limit applies. As a result, the Insured Person may receive a higher claims amount under the same disability.

Cover for Unknown Pre-existing Conditions and Congenital Disease

Under this Plan, the Pre-existing Conditions unknown at the time of application will be covered for 25%, 50% and 100% reimbursement for the Eligible Expenses in the 2nd, 3rd Policy Years and from the 4th Policy Year onwards respectively, subject to the benefit limit per item in the Benefit Schedule. In addition, for investigation and treatment of congenital conditions which have been manifested or been diagnosed after the policy issuance and on or after the age of 8 of the Insured Person, the claims arrangement is the same as unknown Pre-existing Conditions.

Cover for Pre- and Post-Confinement / Day Case Procedure Outpatient Care⁽³⁾

Along with the advancement of medical technology, more medical treatment can be performed through day case surgery such as cataract surgery and endoscopes. This Plan covers outpatient care for pre- and post-Confinement as well as Day Case Procedure⁽³⁾, enabling you to focus on receiving medical treatment and recovery.

Cover for Prescribed Non-surgical Cancer Treatment⁽⁴⁾

The Plan covers radiotherapy, chemotherapy, target therapy, immunotherapy and hormonal therapy for cancer treatment, which helps you to relieve the financial burden.

Offer of Other Benefits

The Plan offers special bonus⁽⁵⁾, death benefit due to medical negligence⁽⁶⁾ and compassionate death benefit⁽⁷⁾, providing you with extra protection.

Certified VHIS-compliant Plan for Tax Deduction Application

If the Policy Holder is a taxpayer in Hong Kong and fulfils the requirements set under the Inland Revenue Ordinance announced by the Hong Kong Special Administrative Region Government, the Policy Holder can apply for deduction concerning salaries tax or tax under personal assessment on paid qualifying premiums (excluding premium levy) of the policies of certified plans.
