- (iv) not able to be omitted without adversely affecting the Insured's medical condition.

Duplicate policies:

The Insured shall not at any time be covered by more than one Hospital Income Plan (means “Medi-Dollars Hospital Cash Plan”, “iRefund Hospital Cash Plan” and “Refundable Hospital Cash Plan”) unless the total sum of the Daily Hospital Cash Benefit as specified in the Policy Specifications of those policies is less than HKD2,100. Notice and proof of claim:

Written notice of the death claim and proof of death of the Insured satisfactory to BOC Life must be submitted to it as soon as practicable. BOC Life shall have the right to request the Insured to provide evidence at his own expenses and/or have a medical examination whenever it may reasonably require.

Incontestability:

This incontestability provision is only applicable to the Death Benefit (as defined in Part II - Basic Provisions) under the policy. The validity of the policy shall not be contestable after the policy has been in force for two (2) years from the Policy Date or date of any reinstatement, whichever is later, and during the lifetime of the Insured, except for non-payment of premiums or fraud. For the avoidance of doubt, this incontestability provision shall not limit BOC Life’s rights to render the entire policy null and void at any time before the death of the Insured in accordance with fraud, misrepresentation or material non-disclosure or as otherwise permitted by laws in case of any fraud, misrepresentation or non-disclosure of any material fact.

Mis-statement of age and / or sex:

The policy is issued in accordance with the Insured's age and sex as shown in the Policy Specifications. If the age and/or sex of an Insured has been misstated and had the correct age and/or sex been stated, the Insured would not have been eligible for coverage under the policy, then BOC Life's liability for the period during which the Insured is in fact not eligible for coverage shall be limited to the refund of the premium paid with respect for such period without interest provided always that where there is fraud on the part of the Insured and/or the Policy Owner, no premium paid shall be refunded. In the circumstances where the Insured's age and/or sex is misstated in the Application and had the correct age and/or correct sex been stated, the Insured would remain eligible for coverage under the policy then, BOC Life will adjust the premiums payable under the policy based on the correct age and/or sex. Any excess premiums paid by the Policy Owner shall be refunded to him and any outstanding premiums shall be paid by him, as the case may be.

Fraud, misrepresentation or material non-disclosure:

Policy Owner should declare to the best of the knowledge and belief that all the statements and answers are full, complete and true. In case of any fraud, misrepresentation or non-disclosure of any material fact in the Application (if any) or declaration on which the policy is based or in relation to any other matter affecting the policy or BOC Life's risk or in connection with the making of any claim under the policy, BOC Life shall have the sole and absolute discretion to render the policy null and void and all claims hereunder shall be forfeited. Unless there is fraud, any premiums paid by the Policy Owner shall be refundable to him in such circumstances.

Cancellation rights and refund of premium(s) and levy within cooling-off period:

Policy Owner has the right to cancel the policy / application form and obtain a refund of any premium(s) and the levy paid, which are collected by BOC Life on behalf of the Insurance Authority according to the relevant requirements, less any difference caused by exchange rate fluctuation, where applicable, by giving a written notice to BOC Life. Policy Owner understands that to exercise this right, the notice of cancellation must be signed by the Policy Owner and received directly by BOC Life's Principal Office at 13/F, 1111 King's Road, Taikoo Shing, Hong Kong within the Cooling-off Period. Policy Owner understands that the Cooling-off Period is the period of **21 calendar days** immediately following either the

day of the delivery of the policy or the Cooling-off Notice to the Policy Owner or the representative nominated by the Policy Owner (whichever is the earlier). Policy Owner understands that BOC Life will indicate the last day of the Cooling-off period in the Cooling-off Notice and text message issued to the Policy Owner (if applicable), if the last day of the Cooling-off Period as indicated in the Cooling-off Notice and the text message (if applicable) is not a working day, the period shall include the next working day. Policy Owner understands that the Cooling-off Notice is a notice that will be sent to the Policy Owner or the nominated representative of the Policy Owner by BOC Life to notify the Policy Owner of the Cooling-off Period around the time the policy is delivered. In addition, the Policy Owner understands that no refund of premium(s) and the levy can be made if a claim payment under the policy has been made to the Policy Owner prior to the request for the cancellation.

Cancellation of policy:

After the cooling-off period, the Policy Owner can request cancellation of the policy to BOC Life by giving thirty (30) days prior and on or before the Maturity Date provided that no Death Benefit has been paid or become payable under the policy by giving BOC Life a written notice with the original policy contact. The cancellation right shall also apply after the terms and benefits have been renewed upon expiry of its first (or subsequent) Policy Year. The surrender shall take effect on the date specified in such notice or, if no date is specified by the notice, a date determined by BOC Life. The Surrender Benefit shall be equal to the specified surrender value ratio of the total premiums paid under the policy as shown in the Policy Information Sheet, and the surrender value ratio shall vary depending on the date of surrender as specified in the Policy Information Sheet. The total premiums paid will be calculated based on premium paid after premium discount (if any). BOC Life reserves the right to defer payment of the Surrender Benefit for a period not exceeding six (6) months from the date of surrender. Upon surrender, the policy shall be terminated and BOC Life shall have no further liability under the policy. If the policy is terminated due to non-payment of premium, BOC Life will pay the Surrender Benefit (if any) to the Policy Owner as if the surrender had taken effect on the date on which the premium is first due and unpaid and thereafter BOC Life shall have no further liability under the policy.
